

SPIP Year 7 English Pre-test: Listening Image Regeneration Brief

Purpose

Use this PDF as a manual handoff to ChatGPT for regenerating the Listening Part 1 picture-choice assets. The reference crops are from the source PDF only to show composition and meaning. Do not use these crops as final student-facing images.

Output style

Regenerate each option as a clean exam-booklet illustration: high-resolution PNG, white background, simple black/gray line art with light neutral shading if useful. Keep the object/action meaning the same as the reference. Do not add extra labels, captions, watermarks, or decorative borders. Only include text when it is part of the option itself, such as the GBP prices in question 5.

Required file location and names

Save the final generated images into:

/Users/pitaakphong/Documents/KeaesWorkspace/apps/spip/year-7-english-pre/assets/listening/

Q1: listen-q1-a.png, listen-q1-b.png, listen-q1-c.png
Q2: listen-q2-a.png, listen-q2-b.png, listen-q2-c.png
Q3: listen-q3-a.png, listen-q3-b.png, listen-q3-c.png
Q4: listen-q4-a.png, listen-q4-b.png, listen-q4-c.png
Q5: listen-q5-a.png, listen-q5-b.png, listen-q5-c.png
Q6: listen-q6-a.png, listen-q6-b.png, listen-q6-c.png
Q7: listen-q7-a.png, listen-q7-b.png, listen-q7-c.png

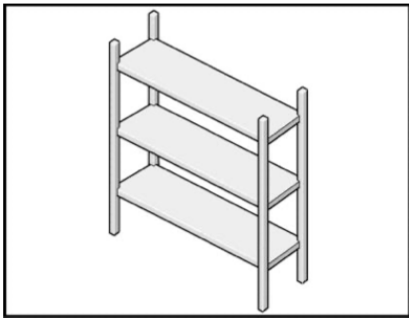

Recommended prompt to paste into ChatGPT

I am rebuilding picture-choice assets for a student test. For each question below, use the reference crop only to understand the three choices. Generate each option as a separate clean PNG using the exact filenames listed. Use a consistent black-and-white exam illustration style, white background, no option letters, no question text, no watermark, and no decorative frame. Keep the differences between A, B, and C clear for young learners.

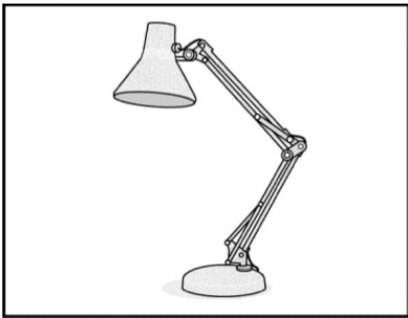

Question 1: What did Lisa buy on her shopping trip?

Reference row from source PDF

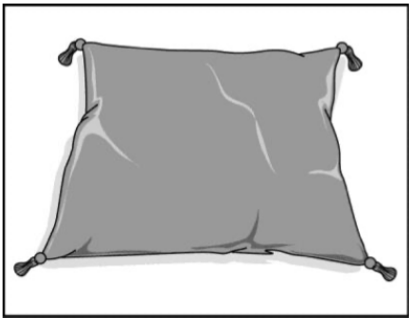

I What did the girl buy on her shopping trip?

A

B

C

Filename	Generate this image
listen-q1-a.png	A simple display shelf or bookcase with objects on it.
listen-q1-b.png	A desk or table lamp with a lampshade.
listen-q1-c.png	A square cushion or pillow with a simple pattern.

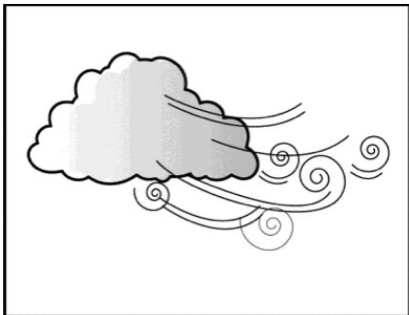

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

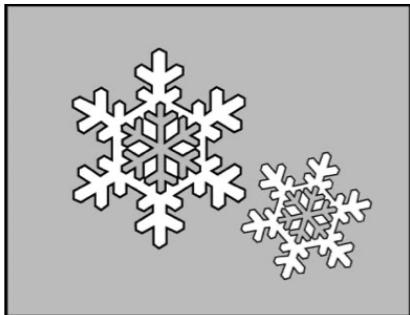

Question 2: Why did the plane leave late?

Reference row from source PDF

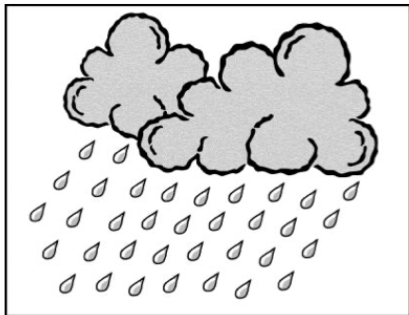

2 Why did the plane leave late?

A

B

C

Filename	Generate this image
listen-q2-a.png	Windy/cloudy weather symbol, showing wind and cloud.
listen-q2-b.png	Snowy weather symbol, showing snowflakes.
listen-q2-c.png	Rainy weather symbol, showing rain cloud and raindrops.

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Question 3: What will they do at the weekend?

Reference row from source PDF

3 What activity does the woman want to book for the weekend?

A

B

C

Filename	Generate this image
listen-q3-a.png	A child or young person cycling on a bicycle.
listen-q3-b.png	A person driving a car, shown as a simple road/car scene.
listen-q3-c.png	Two people sailing in a small boat with sail on water.

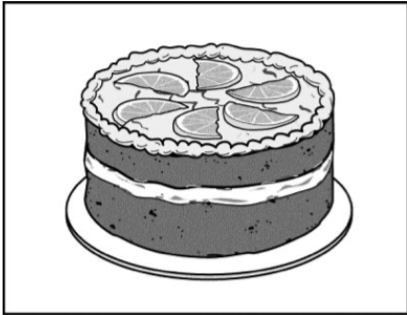

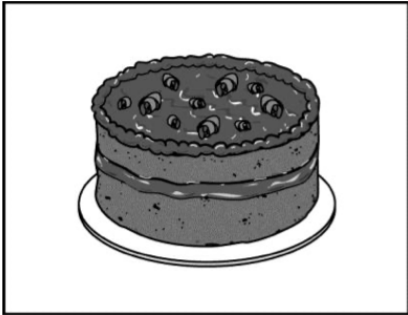

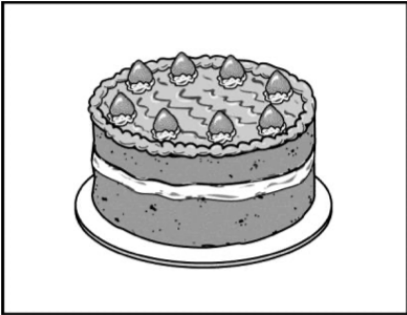

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Question 4: Which cake will the girl buy?

Reference row from source PDF

↓ Which cake will the girl order?

Filename	Generate this image
listen-q4-a.png	A round birthday cake decorated with strawberries or red fruit.
listen-q4-b.png	A darker cake, likely chocolate or berry-topped, with candles/decoration.
listen-q4-c.png	A round cake with orange/fruit decoration on top.

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Question 5: How much do you need to spend for a free gift?

Reference row from source PDF

A

B

C

5 How much must customers spend to get a free gift?

Filename	Generate this image
listen-q5-a.png	A receipt or price ticket clearly showing GBP 9.99.
listen-q5-b.png	A receipt or price ticket clearly showing GBP 19.99.
listen-q5-c.png	A receipt or price ticket clearly showing GBP 29.99.

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Question 6: What will the family do on Sunday?

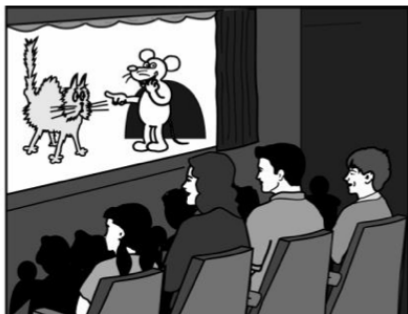

Reference row from source PDF

A

B

C

What did the family do on Sunday?

Filename	Generate this image
listen-q6-a.png	A museum or gallery scene with a framed picture or exhibit.
listen-q6-b.png	An aquarium scene with fish in a tank.
listen-q6-c.png	A theatre or puppet/show stage scene with curtains and performer.

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Question 7: Which programme will be on TV first?

Reference row from source PDF

A

B

C

7 Which programme is on first?

Filename	Generate this image
listen-q7-a.png	A TV screen showing dancers or a dancing performance.
listen-q7-b.png	A TV screen showing a quiz/news-style panel or presenter.
listen-q7-c.png	A TV screen showing a cooking programme with food or chef.

Generation notes

Create three separate PNG files for this question. The final PNGs should not include A/B/C letters; the web app will provide choice labels. Keep all three images similar in crop, scale, visual weight, and style so no option looks more important than the others.

Final Checklist

Before handing the images back to Codex:

- There are exactly 21 PNG files: 7 questions times 3 options.
- Every filename exactly matches the names in this PDF.
- All files are PNG images with white or transparent-white background.
- No file includes the option letter A, B, or C.
- No file includes question text or unrelated labels.
- Question 5 price text is readable and uses GBP 9.99, GBP 19.99, and GBP 29.99.
- The three options for each question are visually consistent in size and style.

After the PNGs are saved in the listening assets folder, tell Codex and it can wire the images into the SPIP test config.
